## **ROOTED Saint Paul's Youth- Purpose and Vision Statement**

(adopted prior to 2005, modified August 25, 2016)

### **Who we are**

The youth group at Saint Paul's United Methodist Church is made up from youth all over the Tallahassee area. Saint Paul's Youth consists of youth from 6th-12th grade. We provide several opportunities for all of our youth to participate. At Saint Paul's we aim to grow closer to God through worship, prayer, service, study, and fellowship. We strive to develop deeper faith in order to become good stewards of God's world. We desire to live in community, encouraging and uplifting each other through the joys and challenges of daily life. We hope to spread the message of God's love through service and personal example. In all things we do, we adhere to the mission statement of Saint Paul's United Methodist Church: to be a faithful community of disciples who serve as the heart, hands and feet of Christ so that all people come to know the love of God.

### **Purpose and Vision**

The primary task of the youth program at Saint Paul's UMC is to develop thriving disciples of Jesus Christ by connecting youth culture and practices to the disciples of Christian faith. Our approach to youth ministry is to love youth where they are, to encourage them in developing a relationship to God, to provide them with opportunities for nurture and growth, and to challenge them to respond to God's call to serve in their communities" (Book of Discipline ¶ 1120.2).

## ROOTED Saint Paul's Youth Covenant 2016-2017

As a youth group we are committed to....

- Being respectful to ALL who enter our doors.
- Supporting one another through Encouragement, Accountability and Love.
- To show respect and support, we will disconnect from our electronic devices so that we can connect with each other.

We recognize to fully commit to this we must be Honest, with each other and be Present in one another's lives!

### Youth Behavior Policy

In order to keep this covenant, we understand that the following specific rules must be upheld:

- 1) Appropriate language should be used at all times. Cursing, jokes and language that is hurtful toward another person discriminating will not be tolerated.
- 2) Appropriate physical behavior is expected of all youth. Physical harassment and abuse, including sexual harassment, physical intimidation, and fighting will not be permitted.
- 3) While attending any Saint Paul's Youth event on Saint Paul's property, youth must remain in the designated, adult-supervised areas. Youth are not permitted to wander alone and must stay in the presence of an adult chaperone unless he/she has been directed otherwise by the Youth Director or other person in charge of the event.
- 4) Physical contact will be limited during any youth event or other church activity. There will be no kissing, petting, or any other physical contact deemed inappropriate by staff or adult volunteers.
- 5) Clothing worn to any youth activity should be modest. Clothing that is sexually suggestive or spiritually degrading is not permitted. Clothing with content that is vulgar, illegal or offensive in nature is not permitted. If the activity requires bathing suit attire, girls are **strongly encouraged** to wear one-piece suits or tankinis (not bikinis), and guys **must** wear swimming trunks or shorts (no Speedos).
- 6) Alcohol, illegal drugs, tobacco products, and weapons of any kind are not permitted at any youth ministry related activity.
- 7) Attending a church related function while under the influence is grounds for immediate dismissal from activity.
- 8) Electronic devices may only be used during fellowship activities. They may not be used during worship, Sunday Night Activities or bible studies.
- 9) Respect for other youth and adult leaders is expected at all times. Disruptive behavior, including horse-play, or other types of interruptions that are discourteous during a youth event will not be permitted.

If the standard of our Youth Covenant is not upheld, or if the behavior policies are broken, the following action/s will take place:

- All individuals will be held personally responsible for any damages to property they may incur. This may include paying for damages outright or working out a type of service to pay for the damages.
- Immediate removal from the activity **by the parents** will occur for possession of alcohol, drugs, tobacco, and/or weapons.
- Immediate removal from the activity by the parents will occur for violence of any kind. Additionally, if the Youth Director or other adult volunteers feel at any time that the presence of a youth puts him/herself or others at risk, the parents will be notified and asked to remove that youth.
- For all other problems, the following procedure will be used:
  - 1) A verbal warning will be given which may include a conversation with an adult leader apart from the group.
  - 2) Depending on the severity of the offense, a second warning may be given. If a second warning is issued, the youth will also be required to alert his/her parent or guardian of the situation with a phone call.
  - 3) If the disruptive or inappropriate behavior continues, the parents/guardians will be asked to remove the youth from the event. The youth will be allowed to return to the next event with a clean slate.
  - 4) In the event that a chronic behavior problem develops with a youth, consequences may vary, including the implementation of a cooling off period, suspension from the program, or limited access to youth events. In such cases, the parents/guardians will be asked to partner with the Youth Director and Saint Paul's Pastoral Staff in developing strategies to address the youth's behavior. In severe cases, outside counseling may be recommended. Future attendance of SPY events will be determined on a case-by-case basis.

Saint Paul's UMC recognizes that we all miss the mark, and we are not perfect beings. The youth ministry team will therefore be expected to uphold this covenant with grace and compassion through the use of prayer, the guidance of the Holy Spirit, and the collective guidance of our brothers and sisters in Christ. Our purpose is to discipline and teach in a manner that uplifts and encourages youth to know the love of Jesus Christ and to glorify God in all they do.

We, the undersigned youth and parent/guardian of the youth, acknowledge that the youth listed above is interested in participating in Saint Paul's United Methodist Youth Ministry for the church year running August 28<sup>th</sup>, 2016 to August 30<sup>st</sup>, 2017. With the understanding that the church, its staff, and designated volunteers care deeply for the youth of this community and make every effort to provide safe and enjoyable activities for the youth to experience, we agree that, to accomplish this, the aforementioned covenant and policies will be enforced.

### Volunteer Training

- ❖ All regular adult volunteers must be screened (see Saint Paul's Child & Youth Protection Policies for this procedure).

- ❖ The Youth Lay Team requests that our adult volunteers become trained on Saint Paul's Child & Youth Protection Policy at the earliest training date possible, and that they maintain their trained status while they remain active volunteers at Saint Paul's.

#### Payment Policy

- ❖ We recognize the value of our adult volunteers and the expense that comes with volunteering with the program. It is our hope to make it affordable for our adult chaperones to attend trips and retreats as a thank you for giving up their time and energy.
  - For Mission Trips and Retreats- Adults are not expected to pay. For any mission trip or retreat, the cost of adults will be covered by students payments.
  - For Fun Activities and Trips (i.e. Rock the Universe, Tubing, Mystery Trips, etc.), adult volunteers will be asked for pay for half of what students are expected to pay.
  - For Sunday night Snack Supper, Adults are not expected to pay the \$4 for meals.

#### Volunteer Requirement of Parents

- ❖ In order for your child to participate in youth programing, we are asking all adults to commit to volunteer to a minimum of 2 youth activities, maximum of 4 youth activities each semester (Fall, Spring, Summer). This will give the students a wide variety of adult volunteers to connect with.

#### Dismissal of Volunteers

- ❖ Occasionally, volunteers feel compelled to work with youth but may not be the right fit for the Youth Program due to personal or theological conflicts. Should such conflict arise, the Youth Lay Team reserves the right to discontinue the use of a volunteer for Youth events and programs. However, the following steps should be taken:
  - Upon recognizing a potential problem with a volunteer the Youth Director should immediately report to the Youth Lay Team about his/her concerns.
  - The Youth Director and at least one member of the Youth Lay Team should meet with the volunteer to discuss the issue/s being raised. A plan of action agreed upon by all parties should be determined to address the issue.
  - If the issues persist and/or the volunteer is unwilling to modify his/her behavior to the benefit of the Youth Program, then the Youth Lay Team may decide to discontinue the volunteer relationship within the Youth Program.
- ❖ Throughout the review and/or dismissal process of volunteers, the Youth Director and the members of the Youth Lay Team will recognize that we are not perfect beings, and that we all miss the mark. Any disciplinary actions regarding an adult volunteer will be approached with grace and compassion through the use of prayer, the guidance of the Holy Spirit, and the collective guidance of our brothers and sisters in Christ.

## **Youth Council Purpose and Expectations**

### **Purpose & Expectations**

Saint Paul's Youth Council acts as a group of youth leaders within the larger body of Saint Paul's Youth Fellowship Program. The Youth Council serves to represent the interest of all youth participants, and will meet regularly with the Director of Youth Ministries to coordinate and give input for programming and special events. The members of the Youth Council also serve to symbolize and advocate for the Youth Program within the larger church congregation.

Members of the Youth Council are expected to:

- model Christian leadership and behavior
- attend Sunday morning worship at Saint Paul's regularly
- attend all Youth Council Meetings. If after 2 unexcused absences, youth will be asked to reconsider their commitment and after the 3<sup>rd</sup> unexcused absence will be asked to step down.

Be on the look out for more information about Youth Council 2016-2017.

## **Youth Lay Team Purpose and Expectations**

### **Purpose & Expectations**

The Youth Lay Team is a committee made up of lay adults (both parents and non-parents) from Saint Paul's United Methodist church who are committed to support the Director of Youth Ministries and the success of the youth program. The lay team will do this by meeting regularly as a committee with the youth director in order to help cast the vision of the program, encourage the youth director, provide guidance and ideas for programming, and act as a liaison between the youth program and the church at large.

Nominations committee will meet in September to collect names for potential Youth Lay Team members. If you are interested in serving in this way, please contact Pam McMillan at [pam@saintpaulsumc.org](mailto:pam@saintpaulsumc.org) or Linda Fletcher at [linda@saintpaulsumc.org](mailto:linda@saintpaulsumc.org).
