

# Parents Morning Out

## Our Purpose

The purpose of our program is to give you a “break” from your normal routine with the peace of mind that your children are in a safe, fun, and Christian environment.

Our mission is to provide parents with a means to meet other parents with children of similar ages and give young children opportunities to learn vital socialization skills that will prepare them for preschool.

# About Saint Paul's Parents Morning Out

## Curriculum

Our program is designed to promote the development of social, language, cognitive and motor skills by embedding instruction into our play based routine.

## A place for spiritual growth and learning . . .

Our main objective is to provide children with a loving Christian environment. We want to share the love Christ has for others and guide our children in that manner.

We also seek to provide children with opportunities for optimal growth in all developmental areas by utilizing age appropriate practices. Our philosophy is to provide children with multiple opportunities to explore, experiment, and grow in a safe and nurturing environment while acquiring foundational skills for success.

## Staff

Beth Wilde, our director, has been with Saint Paul's PMO since 1998. She is a certified Children's Development associate. Beth is also the nursery coordinator here at Saint Paul's.

Emily Hoffman started with our program in April of 2014. She is a certified child care professional and has dedicated her career to children and families.
